Fancy Photo Frame

List of supplies:

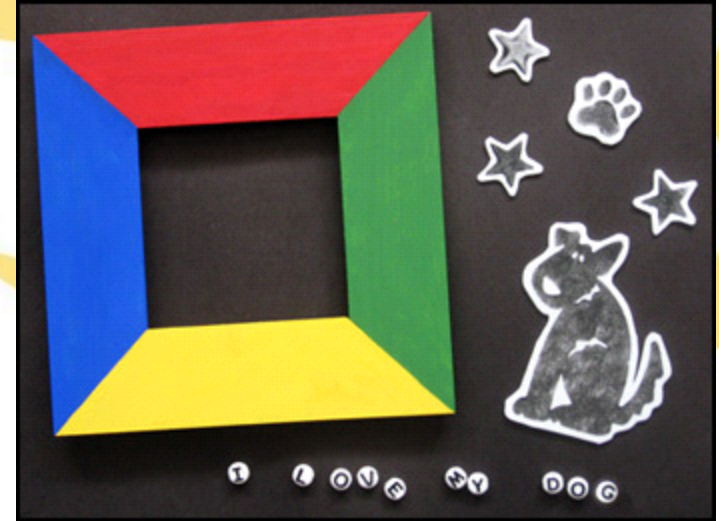

Wooden Picture Frame
Acrylic paints
Paint brushes
Craft foam, beads, foam stamps or other embellishments
Scissors
Craft glue
Photo of pet to put in frame

SAFETY NOTE: Children should always be supervised. Be sure to protect your surface.

2

Next, decide how you want to embellish and decorate your frame. Use craft foam, beads, foam stamps or anything else you want to personalize your frame. There's no right or wrong way to do it. The main thing is to have fun!

In our example (right), we used foam stamps on craft foam and then cut around the shapes. We also chose lettered beads and glued them onto the frame.

3

Once you have your frame decorated the way you want it and have allowed it to dry, you can carefully put the glass back and add your pets photo.

1 Print the directions. Be sure to cover your work area with newspaper.

Remove the glass from the picture frame and set aside where it won't get broken. Use acrylic paints to paint your frame however you like. Be sure to let dry thoroughly before starting step 2.
